# LET'S GET BACK TO NATURE

Single use plastic products are damaging our eco systems and affecting millions of life. It's not about what we did and doing. It's all about how we (means all) can stop polluting Earth and can add value to it, that is our thought and hence, **Biotreat** was incorporated.

We are the first fully **Robotic Bio Degradable** Products Manufacturer & Leading Bio Degradable products Manufacturer of India with Capacity of Daily Production of More than 10 Tons. Our Thought Process is always innovative, cost effective and Eco Friendly. We are manufacturing range of biodegradable and compostable food packaging products which are strong, adorable aesthetic and is the best option for plastic and thermocol items as a cost effective too.

Let's Start & Adapt Nature Again
